

### ASK YOURSELF IF:

**You would like a lodge that offers excellent fishing, all the amenities of a full American Plan package in a setting of true northern scenic beauty, coupled with wholesome northern hospitality?**

**If the answer is yes, you owe it to yourself to try a fishing vacation at Pine Point Lodge.**

**Fish in the crystal clear waters of world renowned Lake Athapapuskow with its trophy lake trout, the largest recorded weighing 63 lbs, as well as northern pike, walleye, whitefish and perch. Athapapuskow, Cree meaning "rock all around", is a beautiful lake with depths to 200 feet. This body of water has hundreds of miles of shoreline where islands, narrows, bays, boulders and natural sand beaches abound creating fish habitat as good as it gets.**

## WILD FOR NORTHERN?

### SAKOBA LAKE OUTPOST

**Six person semi-modern cabin equipped with propane fridge, stove, lights, BBQ, shower and generator.**

**Included in outpost package: return airfare from Flin Flon MB; accommodations, boats, motors & fuel, life jackets, sleeping bags.**

**What to bring: food, towels, personal items, fishing equipment, licence, insect repellent, rain gear, camera.**

**To conserve our fishing future, catch and release policy in effect for all northern pike 29.5" (75cm) and larger.**

**The management and staff of Pine Point Lodge are committed to making your fishing vacation the best that it can be in every way possible.**

# PINE POINT LODGE & OUTPOST

**ON WORLD FAMOUS LAKE ATHAPAPUSKOW**

**FLY-IN FISHING LODGE & OUTPOST  
SASKATCHEWAN MANITOBA CANADA**

## LOCATION

**Pine Point Lodge is located on a picturesque point in a large bay with many islands on the border water of NE Saskatchewan on Lake Athapapuskow. Approximately 500 miles north of Winnipeg, Manitoba, guests may drive to Flin Flon, MB on paved highway where you will board a float plane for a short flight to Pine Point Lodge. You may choose to fly from Winnipeg direct to Flin Flon Municipal Airport and fly into the lodge, or cruise the scenic waterways approximately 45 minutes via our cruiser.**

## LODGE FACILITIES

**Our lodge facilities include a dining room where guests enjoy delicious home cooked meals, before dinner hors d'oeuvres and cocktails. Guests relax in our sitting room with the large stone fireplace or our screened-in gazebo unwinding after an exciting day of fishing, swapping tales of the day's events, or enjoying the view of the lake and listening to the loons calling out in true northern fashion.**

**Pine Point Lodge also features a tackle and souvenir shop with various snack and sundry items in the event you may have missed an item while packing.**

## ACCOMMODATIONS

**Your accommodations are clean, rustic, fully modern log cabins designed for 2-6 people.**

## FOR THE ADVENTURER

**For the adventurer the area surrounding Pine Point Lodge has a lot to offer. The 100 ft high limestone cliffs on the edge of the Canadian Shield run for 1/4 mile, straight up from the water's edge. Take a 10 minute walk from the lodge and you will be on top of these cliffs looking down at the point of land the lodge is nestled into, surrounded by pine trees. While on top you may view fossils impregnated in the limestone thousands of years ago. Take a stroll along the shoreline where you may encounter any number of birds and wildlife. At this point you will know why this pristine wilderness beckons many to return year after year. Bring your camera as you will want to take many photos to remember your special vacation at Pine Point Lodge.**
